

Join us for our

Seed Saving Workshop

Wednesday 26th June at 7pm-9pm

This an exciting opportunity to
learn with us and support your
local community!

What you need to know:

This small group workshop gives you confidence and information to develop your gardening and food production to a new level!

You'll be able to learn to save your own seeds and enjoy the benefits of a new skill and even save some money on seeds for next year! Refreshments will be provided. It costs £10 to attend and we offer concession spaces upon enquiry.
